ance Notes on Codes and Abbreviations" appearing at the begin-
ning of each regular issue of the PCT Gazette.

(54) Title: LIP PACKAGE

(57) Abstract: The present invention relates to a lip package for accommodating a liq-
uid cosmetic, and more particularly, to a lip package for dispensing a desired amount of a
flowable liquid cosmetic such as lip gloss, wherein upon pressing a button formed on the
exterior of the container, an actuating member disposed within the container raises a pis-
ton to dispense a predetermined amount of the liquid cosmetic contained in the container,
thereby improving convenience of use and enabling the use thereof with one hand due to
the button type structure.
